

Bamburi Statement on News Regarding Chinese Contractor Workers Denied Entry into the Country

18.03.2020

Following online posts regarding Chinese citizens who have been denied entry into the country for not self-quarantining for 14 days as per the coronavirus (COVID-19) preventive measures directive issued by the Kenya Government and the World Health Organization (WHO). Bamburi Cement wishes to clarify that it has contracted a local company for an assignment that had been scheduled for end March this year. The contractor's team presented themselves and their certificates of Covid -19 health clearance to travel from their country of origin but were denied entry.

As a responsible corporate citizen, Bamburi Cement reiterates that it fully supports all guidelines on preventive measures on (COVID-19) outlined by the Kenya Government and WHO. The wellbeing of our staff, clients, partners and fellow citizens is our priority, and we are committed to do our part to stop the spread of the virus.
