

# Citation for presentation of a Total Eco Challenge Gala Award to Bamburi Cement

20.05.2009

Winners of Silver Awards this year also recognize a wonderful diversity of projects ranging from big businesses and factories to a religious institution, a government department, private estate initiatives, schools and community groups. In alphabetical order:

A company always at the forefront of environmental rehabilitation, now linking quarries and schools and operating not only countrywide but even crossing the border to Uganda, a silver award for more than 600,000 plantings in the year goes to **BAMBURI CEMENT**.
